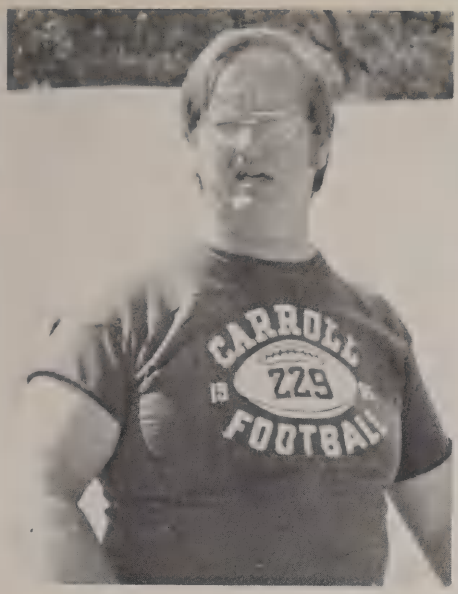
Honors Day



Fr. Neiheisel Best Of Luck!

You came five years ago. You had no idea what to expect. Well is it anything that you expected? Is it any different than what you had before? You were a change for us. Your predecessor was here for eight years and was very close to so many people. It took a while but you have replaced him. You have become a big part of Fenwick and will be taking so much away. We, the Turres Staff, speaking for the whole school wish you the best of luck in your future endeavors and we want you to know that you will be missed.

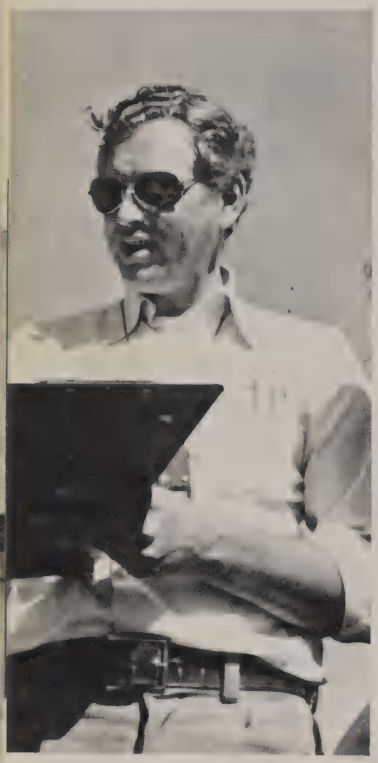
Cross Country

Under the careful orchestration of Mr. Ken ''Get a Couple'' Coe, the Falcon Cross Country team ran a successful season, adding several trophies to their collection among their accomplishments was Ken Vieth's 8th place finish at district along with Steve Imfeld and Dave Brill who finished 24th and 31st respectively in the race. Ken also qualified for the state meet where he finished an impressive 14th.



GOLF

The 78-79 season was a very successful one. The Falcons won the District and the right to compete in the State Finals. It was the fourth time in 5 years the Falcons have made it to State. At state, the team placed a respectable 8th. The team members are: (l to r) Jeff Novak; Father Shearer, Coach; Bob Downey; Vic Curtis; Greg Amatulli; Jim Snyder; and Mark Augspurger. With 4 of the starters returning for the 79-80 season, the promise for a 5th state trip is very hopeful indeed.

Track

The boys finished 4th in the Sectional meet, qualifying three competitors for the District meet. Robbie Harkrader qualified in the 100 yard dash and the 220 yard race. Ken Vieth made it in the mile run, and Terry VonBargen qualified for the shotput competition. Terry went on to win the district and placed 4th in the state.

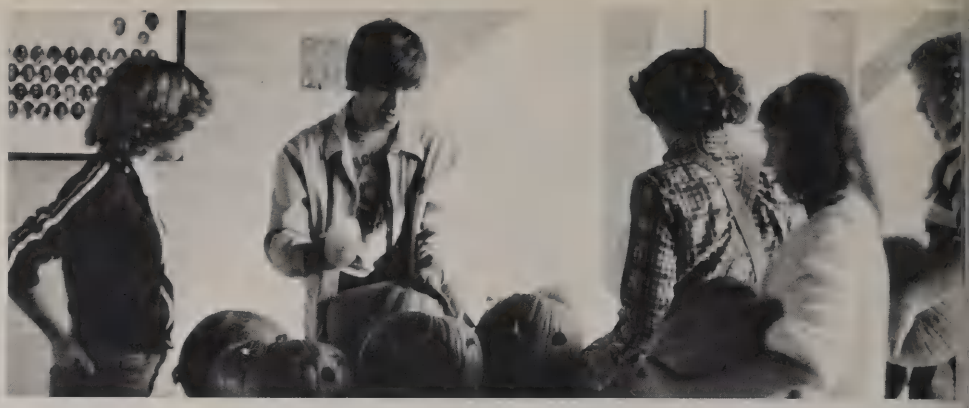
Track

AnneMarie Long stood out in front of a strong Girls Track team coached by Bob Schwab. The Big Bopper's charges ran a strong season, and many members of the team took it all in the Sectionals to win a ride to Dayton for the District meet. But it was Anne Marie who went all the way to Columbus, qualifying in both the hurdles and the 440 yard contest. All the long practices and late hours paid off in another fine season for the Fenwick girls.

ORGANIZATIONS

Mission Club

Learning about life from our experiences is a big part of education. The Mission Club takes this to heart by their service activities in the community. The special effort of inviting Senior Citizens to Fenwick for a mass and Thanksgiving Dinner is just an example. The annual trip to Appalacia helps members see life from another vantage point. The club sponsors events like the annual Halloween Dance and the Father-Daughter Dance. Both events not only raise money which is used for mission work, but provide a good time and a memorable occasion for all involved.



French Club

From cheese and french bread on a picnic at Fort Ancient to an elegant lunch at Edwards you have a description of the French Club and their activities. The main event of the year though is the Christmas meal prepared by club members. This years menu was Coq au Vin finished with a dessert Bouche de Noel. Members of the club are past and present French students.

It's Academic

Fenwick was well represented again this year in the ''It's Academic'' television competition. Seniors Chris Lauer and Mark Haker and Junior Dan Moore led the way with a first round victory in the area wide program sponsored by the Proctor and Gamble Co. The squad was rounded out by alternates Beth Flanagan and Ann Schramn. The season came to a sudden end with a playoff loss to Connor and Reading. Sister Constance, Falcon team advisor spent several months practicing with the team, covering questions about science, math and the humanities in preparation for the grueling competition.

Talon

Sports, features, interviews, school news of every kind and description filled the pages of this years Talon. The bimonthly paper directed by Mrs. Sue Orr, printed ''all the news that's fit to print'' in an effort to keep students and faculty up to date on current events. All newspapers depend on the efforts of a great many people, and the Talon is no exception. Unsung heroes like staff typist Brigitte Siefert and Business Manager Ann Klosterman are as important as the big name writers with their own ''by-line''. But everything depends on the Editor-in-Chief, and this year the Talon had one of the best in Kazuo Cottrell whose hard work brought it all together.

Turres

We started at the beginning of the school year. We worked until July. We kept going when we were so fed up with seeing the interior of the yearbook room. We have given this book our best and are proud of what we have created. There is no way you will ever know the amount of time put in on this book. We hope you appreciate the way we have tried to capture the year 1978-79.

National Honor Society

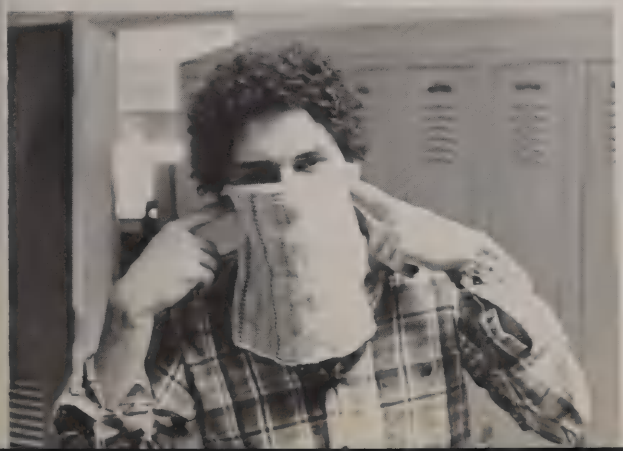
National Honor Society stands for Character, Service, Scholarship, and Leadership. Each year the group sponsors the Math Tourney for 5th, 6th, 7th, and 8th graders. This year after the induction ceremony the Society was made up of 29 Seniors, 17 Juniors, and 18 Sophomores. Officers: Pres. Beth Flanagan, V.P. Tim Bruggeman, and Sec.-Treas. Sally Smith.

Student Council

Student Council represents all the students. They sponsor dances, work on oreintation, and handle Christmas Troupe. Officers: Pres. Jim Greenwell, 1st V.P. Martha Nuck, 2nd V.P. John Strohman, Sec-Treas Stacy Irwin.

FSA

Future Secretaries Association explores the field of business to prepare the members so they will know what to expect when they go out to find a job. This year the group took the NSA traveling trophy away from Franklin who has won the trophy for the past 5 years. The group has 21 members and is supervised by business teacher Mrs. Cheryl Brandenburg. Officers are: Pres. Susan Kraft; Vice Pres. Joyce Rouster; Secretary Susan Grant; and Treasurer Lisa Abell.



Gourmet Club

Hotdogs cooked in beer! How does that sound for a meal made by experts? Well these guys aren't really experts but they are working on it. Mr. John Jester helped to save these men from starving when they enter into the big cruel world. They found that they enjoyed cooking so much they decided to end the year by roasting a pig.

Members of the club changed some with every meal but those pictures are: Marty Fedders, John Strohman, Jimmy Greenwell, Doug Fiessinger, Mike Lau, Tim Bruggeman, Jim Snyder, Rob Harkrader, Andy Fedders, Steve Schumacher, and Paul Lolli.

You give but little when you give of your possessions.

It is when you give of yourself that you truly give.

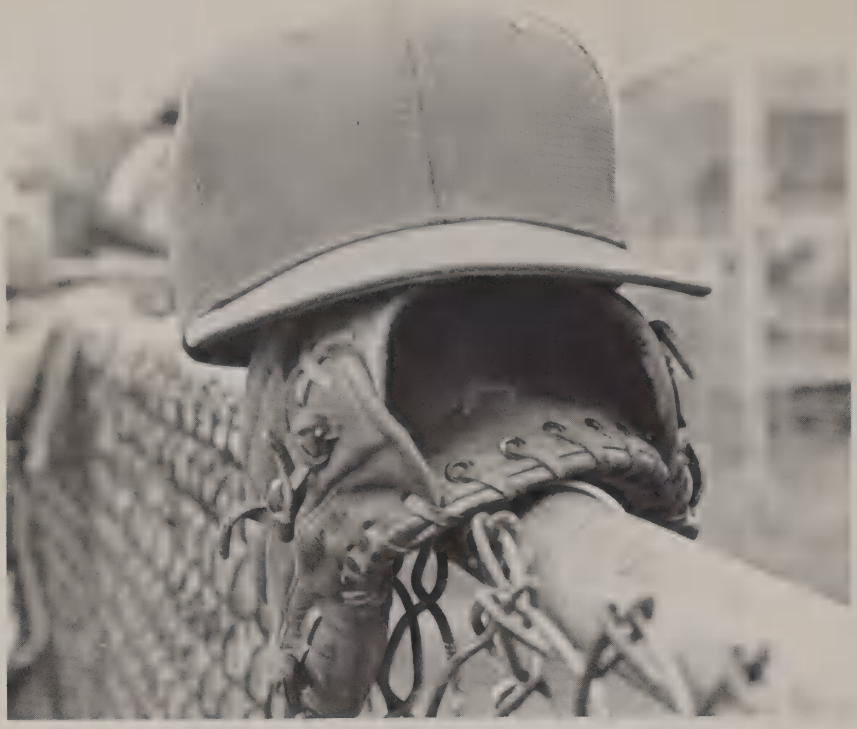
THIS IS A NEW DAY

GOD HAS GIVEN ME THIS DAY TO DO AS I WILL. I CAN WASTE IT OR USE IT FOR GOOD. WHAT I DO TODAY IS VERY IMPORTANT BECAUSE I'M TRADING A DAY IN MY LIFE FOR IT. WHEN TOMORROW COMES THIS DAY WILL BE GONE FOREVER. LEAVING BEHIND SOMETHING I'VE TRADED FOR IT. I WANT IT TO BE GAIN, NOT LOSS ... GOOD, NOT EVIL ... SUCCESS, NOT FAILURE ... IN ORDER THAT I SHOULD NEVER FORGET THE PRICE I PAID FOR IT.

"I AM THIRD"
GALE SAYERS



Farewell to you and the youth I have
spent with you.
It was but yesterday we met in a dream.
You have sung to me in my aloneness,
and I of your longings have built a tower
in the sky.
But now our sleep has fled and our half
waking has turned to fuller day, and we
must part.
If in the twilight of memory we should
meet once more, we shall speak again together
and you shall sing to me a deeper song.
And if our hands should meet in another
dream we shall build another tower in the sky.
